

INVITATION

Banat's University of Agricultural Sciences and Veterinary Medicine "King Michael I of Romania" from Timisoara, invites you on *8-9 October 2020* to celebrate together **75 years of university establishment and activity of research - development - innovation** in the multidisciplinary field of life sciences, within:

Multidisciplinary Conference on Sustainable Development (online)

The conference covers a wide range of topics in life sciences (agriculture, horticulture, biotechnology, forestry, veterinary medicine, environmental engineering, geomatics, agro-food processing, agricultural management, animal husbandry) aiming at creating an incentive framework for presenting the latest research results, innovative ideas and concepts and, for interaction or exchange of experiences between the participants.

Participants registered at the conference may publish presentations containing original contributions, by choice in one of the following journals: **Advanced Research of Life Sciences Journal** (<https://content.sciendo.com/view/journals/arls/arls-overview.xml?language=en>) or in one of the **sections journals** indexed in international databases.

*On Behalf of the organizing committee,
we cordially invite all of you to participate !*

*Rector,
Prof.dr. Cosmin Alin POPESCU*

*Vice-rector,
Prof.dr. Isidora Radulov*

The International Multidisciplinary Conference on Sustainable Development, to be held from 8 to 9 October 2020, brings together experts and researchers from over 25 countries and promotes the exchange of ideas and innovative experiences in the multidisciplinary field of life sciences.

Participants will have the opportunity to present short presentations and posters on their work and discuss their research in a relaxed, multidisciplinary and scientific environment. We also offer key-note lectures by internationally recognized scientists working in areas connected to the conference sections:
